

REPORT FROM HIGHWAY COMMISSIONER
ANTONIO RUBINO

The Highway Department maintains the residential streets and public right of way in unincorporated Orland Township. This includes repair and construction of streets, storm sewers, sidewalks, curbs and street signs.

**Highway Department's
Holiday Light Recycling
Program was a huge
success this season!**

Together with Menards, Southfork Family Restaurant, Tinley Park Park District and Anthony's Pizzeria we have recycled 2,539lbs of holiday lights. Special thanks to the Highway Departments Recycling Coordinator Marco Gorajski for all his hard work on organizing this program!

SPRING PERMITS

If you are planning to do any warm weather projects within the parkway (area between the sidewalk and curb) such as driveway repair/replacement or landscaping that requires digging you will need to obtain a permit. Please call our office at 708-403-5148 or email highway@orlandroaddistrict.org for info.

POTHOLES & PATCHING

Winter months and snow plowing can cause potholes within the roadways. If you see a pothole which we did not fill, or have any road-related questions or concerns, please call the Highway Department at 708-403-5148 and provide us with the location.

Planning to dig?
Call J.U.L.I.E first!
811 or (800) 892-0123

KNOW WHAT'S BELOW • CALL BEFORE YOU DIG!

SUMP PUMP DISCHARGE

It is unlawful to discharge any sump pumps onto Township sidewalks and roads. The standing water exacerbates pavement deterioration and creates an ice hazard in winter months. Drain hoses should be directed to the natural ditch between homes so that water will follow grade.

**How To Contact Your
Highway Department with
Questions or Concerns:**

Orland Township Hwy. Dept.
16125 S. Wolf Road
Orland Park, IL
highway@orlandroaddistrict.org
