Dear Resident,

It is a great honor to be your Highway Commissioner. The Highway Department maintains and services the roads, bridges, and road right of ways in unincorporated Orland Township, keeping them safe and accessible.

Improving the safety and overall appearance of our community is a cooperative effort between the Highway Department and its residents. My goal is to improve communications with our residents, enhance services and improve transparency. *See you around the Community!*
- ANTONIO RUBINO

GRANT UPDATES

Since taking office in 2021, the Highway Department is slated to receive more than 1.5 million dollars from the State of Illinois to help with costs associated with infrastructure improvements.

Since taking office, I have made it my priority to boost funding while keeping the residents' tax levy increase at 0%. The appearance of your streets is now better than it has ever been. *That's your township working for you!*
